A sum of Rs 18,543 has been sanctioned as a 2/3rd grant to St Patrick's Orphanage on the 23rd January 1929. We should include the balance remaining unpaid Rs12,000 in the budget ~~this~~ of 1930-31 from accumulated surpluses. I want as far as possible to give Mr Edmonds a clear start.

⑤ Under Article 56 of the Code of Regulations for European Schools, the managers of schools who receive a building grant should execute a ~~trust deed~~ unless specially exempted by the Local Govt.

In 1908, the St. Patrick's school executed a ~~trust deed~~ to get a building grant of Rs. 2,200 but in 1923, when a building grant of Rs. 2,087 was sanctioned to the institution, the school authority was exempted from executing the ~~deed~~.

In 1929, St. Francis Xavier's Girls' High School which received a building grant of Rs. 7,229-2-0 was exempted from executing a ~~trust deed~~.

Perhaps the St. Patrick's School and Orphanage may be exempted, as ^{it is} strongly recommended by the Inspector.

It does not appear that ~~the~~ ^{an} informal undertaking that the building will not be sold or used for any other purpose need be taken.

U.O. Note P.B. No. 80, dated the 10th July, 1930, from the
Pay and Accounts Officer, Bangalore.

Please see S Nos. 4 and 5.

The Pay and Accounts Officer is of opinion that the question whether the Resident would exempt the management of a school from executing a trust deed under Article 56 of the Code of Regulations for European Schools, should be decided before an application for a grant is dealt with. This will be noted for future guidance.

The Pay and Accounts Officer asks for a copy of the Inspector's letter explaining the exceptional circumstances for exempting the correspondent, St. Patrick's School and Orphanage, from executing a trust deed. Perhaps a copy of S No. 4 and enclosure may be sent to him.

A copy of the Pay and Accounts Officer's note omitting the last sentence may be sent to the Inspector of Schools for information, so that, when he recommends a grant for any school, he might say definitely whether the school management would execute a trust deed or require exemption.

Two draft U.O. notes submitted.

A two-thirds grant of Rs. 18,543/- was sanctioned in 1929 to St. Patrick's School and Orphanage, Bangalore. The Inspector recommends a further two-thirds grant of Rs. 830/- as the actual cost of the building amounted to Rs. 29,059/- against Rs. 27,814/- originally estimated.

Perhaps the grant recommended may be sanctioned to be paid when funds permit.

My Dear Loch,

Since our conversation this morning I have personally gone carefully into the Education Budget commitments in the matter of building furniture etc. Grants. I find that the total sum under various subheads at my disposal is Rs 25,000/- in this financial year, & I, of course, anticipate spending every anna of it. The amount already promised out of the budget of 1930-31 is roughly Rs ¹³⁰⁰⁰~~12000~~/- — exclusive of St Patrick's Orphanage building. The latter scheme is to cost Rs 18543/-. I have just paid them Rs 6000/- last week on account. I propose to give them the odd 543/- also this year, & that will leave a round sum of Rs 12,000, which would normally have been paid in two lumps of 6000/- each in 1930-31 & 1931-32. If you can arrange to budget for that Rs 12,000/- as you suggested outside my annual ~~of~~ total grant of Rs 25,000/- I see no reason why things should not get straightened out in the financial year 1930-31. If this cannot be done, 13000/- + 6000/- = 19000/- of next year's allotment is already promised, & the process must inevitably go on, with the consequence that you would be lucky to get things straightened out even in 1931-32.

I hope to pay in this financial year quite a lot

of the small items that have been passing through your hands in the last few months labelled "to be paid as when funds permit" - I hope in fact, the bulk of them, but officially to the schools I have been erring on the "canny" side!

If you can arrange for that Rs 12000/- to be provided elsewhere, Edmonds will have nearly half of ~~rest of~~ the allotment of 1930-31 free. According to the circular I have issued he will have in his hands on or before 30th April 1930 all applications for grants for the year 1930-31. Inevitably it will be a "lean-ish" year for the schools financially, but he will at least be able to spend the half of his grant that is left, to the best possible advantage after having weighed one scheme against another, instead of this present piece-meal doling-out.

Yours sincerely

(T)

With reference to your No. 795/419-88, dated 23.1.29, sanctioning a 2/3ds grant of Rs. 18543/- towards the construction of a building for St. Patrick's School and Orphanage, I have the honour to enclose herewith a representation from the Correspondent of the school, requesting exemption from the execution of a Trust Deed under rule 56 of the Code of Regulations for European Schools. For the reasons given therein and particularly in view of the fact that the registration would mean an additional expenditure to the management, I strongly recommend that the exemption asked for be given. In the last para of the letter the Correspondent agrees to give an undertaking that the building will not be sold or used for any other purpose. If this can be done I shall obtain one on receipt of orders.

Sir,

I have the honour to acknowledge receipt of your letter No. 1231/1-24 dated 23rd Ult.; and to thank you for the ^Wsaction of an instalment of Rs 6000/ towards the grant for the new building constructed for St. Patrick's School & Orphanage, Bangalore, as soon as the budget estimate for the current year is received.

2. As regards the last portion of your letter under reference re: execution of a Trust Deed and registration of same, I earnestly request that you will be good enough to move the Hon'ble the Resident in Mysore, Bangalore for specially exempting me under Rule 56 of the Code of Regulations, from executing the Trust Deed for the following reasons:-

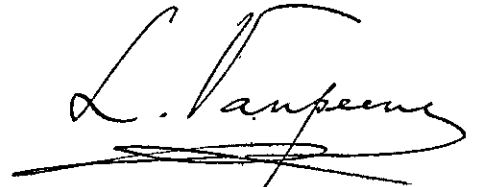

1. That St. Patrick's School & Orphanage is entirely an Ecclesiastical Institution conducted by the priests of the Foreign Mission.
2. That this Charitable Institution has been in existence for nearly a century and was specially opened for the reception & care of Orphan Children & it will continue as such.
3. That it is not at all possible to utilise the building for any other purpose than that for which it was originally intended.
4. That the Mission since its advent in Bangalore or any other station in India has not sold any of its property but on the contrary has purchased property in the sole interest of Charitable Institutions and the Catholic religion.
5. The last and not the least, I understand that the Trust Deed will cost me a large sum of money and the Mission can ill afford

If desired I am quite prepared to give in writing on behalf of the Mission that the building will not be sold or otherwise used than for its legitimate purpose for which it was constructed.
